|------------|----------------------------------------------------------------------------------------------------------------------|---------|-------------|
| 70 190 145 | 1" pipe, length 3 m, 7,50 kg                                                                                         | £38.20  | VPG007      |
| 70 190 144 | 1" pipe, length 6 m, 15,00 kg                                                                                        | £76.10  | VPG007      |
| 70 190 133 | End cap for 1" pipe, plastic, 0,01 kg                                                                                | £0.80   | VPG007      |
| 70 190 132 | Pipe clamp, galvanised, 0,10 kg                                                                                      | £4.30   | VPG007      |
| 70 120 109 | Metal hook for 1" pipe, 10 pieces / per set, 0,10 kg                                                                 | £16.30  | VPG007      |
| 70 120 110 | Metal hook for 1" pipe, 13 pieces / per set, 0,13 kg                                                                 | £21.10  | VPG007      |
| 70 120 111 | Metal hook for 1" pipe, 50 pieces / per set, 0,50 kg                                                                 | £81.10  | VPG007      |
| 70 190 147 | Straight coupler for 1" pipe, plastic, 0,10 kg                                                                       | £14.40  | VPG007      |
| 70 190 123 | Wall and ceiling fixture for 1" pipe, galvanised, 0,40 kg                                                            | £7.80   | VPG007      |
| 70 190 135 | Wall mounting fixture for 1" pipe, galvanised, 0,60 kg                                                               | £9.20   | VPG007      |
| 70 180 110 | Column for 1" pipe, adjustable height 2,000 up to 3,000 mm, 60 x 60 x 2.5 mm, with foot plate 200 x 200 mm, 14,00 kg | £149.20 | VPG007      |
| 70 190 121 | Ceiling fixture with lowering device for 1" pipe, galvanised, 3,00 kg                                                | £113.40 | VPG007      |
| 70 124 107 | C-profile, 40 x 40 x 2.5 mm, length 3 m, 7,50 kg                                                                     | £40.00  | VPG007      |
| 70 124 106 | C-profile, 40 x 40 x 2.5 mm, length 6 m, 15,00 kg                                                                    | £80.20  | VPG007      |
| 70 124 102 | 90°-elbow for C-profile, radius 400 mm, 2,60 kg                                                                      | £152.90 | VPG007      |
| 70 124 103 | 90°-elbow for C-profile, radius 1,000 mm, 3,90 kg                                                                    | £122.00 | VPG007      |
| 70 190 105 | Straight coupler for C-profile, galvanised, 0,65 kg                                                                  | £14.10  | VPG007      |
| 70 190 107 | T-coupler for C-profile, galvanised, 1,30 kg                                                                         | £37.70  | VPG007      |
| 70 120 112 | Sliding hooks for C-profile, 10 pieces / per set, 0,10 kg                                                            | £16.30  | VPG007      |
| 70 120 117 | Sliding hooks for C-profile, 13 pieces / per set, 0,13 kg                                                            | £21.10  | VPG007      |
| 70 120 113 | Sliding hooks for C-profile, 50 pieces / per set, 0,50 kg                                                            | £81.10  | VPG007      |
| 70 120 107 | End cap for C-profile, Plastic, 0,01 kg                                                                              | £1.00   | VPG007      |
| 70 190 108 | Ceiling fixture for C-profile, galvanised, 0,40 kg                                                                   | £14.10  | VPG007      |
| 70 190 110 | Ceiling fixture for double-C-profile, galvanised, 0,80 kg                                                            | £26.60  | VPG007      |
| 70 190 113 | Wall fixture for C-profile, galvanised, 1,30 kg                                                                      | £16.50  | VPG007      |
| 70 190 138 | Wall fixture for double-C-profile, galvanised, 1,90 kg                                                               | £25.70  | VPG007      |
| 70 190 115 | Side wall fixture for C-profile, galvanised, 0,68 kg                                                                 | £19.20  | VPG007      |
| 70 190 117 | Side wall fixture for double-C-profile, galvanised, 1,30 kg                                                          | £33.70  | VPG007      |
| 70 120 100 | Limit stop for C-profile, galvanised, 0,10 kg                                                                        | £9.60   | VPG007      |
| 70 190 120 | Ceiling fixture with lowering device for C-profile, galvanised, 3,00 kg                                              | £116.00 | VPG007      |

**Mounting systems**

| Art. No.   | Description                                                                                                            | Price   | Price Group |
|------------|------------------------------------------------------------------------------------------------------------------------|---------|-------------|
| 70 190 112 | Universal rail fixing device for C-profile, galvanised, 0.36 kg                                                        | £15.40  | VPG007      |
| 70 120 118 | Carriage with 8 plastic rollers and hooks to suspend welding strip curtains, plastic, 0.03 kg                          | £18.50  | VPG007      |
| 70 190 148 | Carriage with two ball bearing rollers and a pipe clamp suitable for a 1" pipe, metal, 0.22 kg                         | £22.60  | VPG007      |
| 70 190 159 | Carriage for C-Profile, with 2 ball bearing steel rollers and plastic hook to hang welding protection curtains from    | £19.10  | VPG007      |
| 70 180 109 | Column for C-profile, adjustable height 2,000 up to 3,000 mm, 60 x 60 x 2.5 mm, with foot plate 200 x 200 mm, 14.00 kg | £149.20 | VPG007      |
| 70 190 127 | Pendular clip for a 1" pipe including fixture nuts and bolts, 5 pieces per set, plastic, 0.08 kg                       | £3.40   | VPG007      |
| 70 190 129 | Spacer for 1" pipe, plastic, 10 pieces per set, 0.02 kg                                                                | £0.50   | VPG007      |
| 70 190 128 | Pipe clamp for 1" pipe, galvanised, 0,20 kg                                                                            | £2.60   | VPG007      |
| 70 210 033 | Cutting and punching for clips and an overlap of 33 %                                                                  | £2.10   | VPG007      |
| 70 210 066 | Cutting and punching for clips and an overlap of 66 %                                                                  | £2.10   | VPG007      |
| 70 210 100 | Cutting and punching for clips and an overlap of 100 %                                                                 | £2.10   | VPG007      |
| 70 211 033 | Cutting and punching for pipe clamps and an overlap of 33 %                                                            | £2.10   | VPG007      |
| 70 211 066 | Cutting and punching for pipe clamps and an overlap of 66 %                                                            | £2.10   | VPG007      |
| 70 211 100 | Cutting and punching for pipe clamps and an overlap of 100 %                                                           | £2.10   | VPG007      |
| 70 300 166 | Rigid screen, red shade 3, UV protection, 1,250 x 2,500 mm, thickness: 3 mm                                            | £510.00 | VPG007      |
| 70 300 167 | Rigid screen S9, dark green shade 6, UV protection, 1,250 x 2,500 mm, thickness: 3 mm                                  | £510.00 | VPG007      |
| 70 212 100 | Cut to measured sizes (+ 10 % to cover wastages)                                                                       | £13.00  | VPG007      |
